SUMMARY OF INVESTIGATION

This investigation results from the telephone complaint (followed up by letter) of [REDACTED] who did not witness the incident. He alleges that two unidentified male white civilian-dressed officers strip searched [REDACTED] and made him drop his pants in the street at [REDACTED] on 13 November 92 at 2230 hours. [REDACTED] believes that the stop was racially motivated since [REDACTED] is white and was with black friends.

An interview of [REDACTED] revealed that he was in Chicago with [REDACTED] and [REDACTED] to visit the family of [REDACTED] at the [REDACTED] address. On 13 November 1992, after leaving the [REDACTED] location, which is the site of a [REDACTED] and [REDACTED] were stopped by two male white, civilian-dressed officers. Each young man was checked by a different officer; [REDACTED] was merely patted down but the officer who stopped [REDACTED] patted him down, checked his outer garment and then, while holding the waistbands of [REDACTED] pants and underwear, directed the beam of his flashlight inside [REDACTED] pants. [REDACTED] said that the officer's hand actually touched bare skin below the waist but he never touched the genitals nor did he make [REDACTED] drop his pants as alleged by the complainant. The [REDACTED] were present but were not searched. No identifying information was obtained from the officers or their car that night. [REDACTED] furnished a description of the officers and said that they were driving an older blue/grey Chevy. He viewed photographs at the Internal Affairs Office with negative results.

[REDACTED] went on to relate that on 15 November 1992 (two days after the incident), he saw an unmarked squad car near the [REDACTED] address. He believed that at least one, and maybe two, of the three officers on that car was involved in the incident of 13 November 1992. He obtained the license plate number [REDACTED] from that vehicle but he is not sure of the first number six in the plate.

Witness [REDACTED] was interviewed and said he was observed by the officers as he ran from the [REDACTED] carrying soda under his arm; they stopped him after he caught up to [REDACTED] [REDACTED] said that he was not facing [REDACTED] and did not see the search of his roommate. After the officers left, [REDACTED] said that they looked down his pants. [REDACTED] thought that the officers were in a dark blue Caprice on 13 November 1992. On 15 November 1992, [REDACTED] pointed out a car that [REDACTED] thought looked like the car from two days before but [REDACTED] is not sure because he wasn't paying attention either time. [REDACTED] viewed photographs with negative results. He also mentioned that [REDACTED] spoke with the officers after exiting the store on 13 November 1992.

[REDACTED], who declined to view photographs, said that he did not witness [REDACTED] being searched.

Witness [REDACTED] said that she did not witness the search and would not be able to identify the officers.

SUMMARY OF INVESTIGATION (CONTINUED)

Witness [REDACTED] said that she was some distance away and did not see the search. She said that she would not be able to identify the officers. [REDACTED] said that after the officers left, [REDACTED] told her that the officer looked down his pants.

Witness [REDACTED] stated that he clearly saw the officer reach into [REDACTED] pants. He said that he was certain that he could identify both officers but [REDACTED] failed to appear for three appointments to view photographs.

Illinois license plate [REDACTED], which was copied by the victim on 15 November 1992, two days after the incident, is listed as destroyed by the Department in 1987; it has not been reissued. The only similar plate that could be located is [REDACTED], that plate is on Pool Car 3268. On 13 November 1992, at the time of the search, that car was not signed out of Garage 2. On 15 November 1992, P.O. Jose RAMIREZ of the 004th District Tactical Unit obtained the vehicle from Garage 2. On the car with Officer RAMIREZ on 15 November 1992 were P.O. Jeffrey DOIG and P.O. Nicholas CIKULIN. The worksheets for the 004th District were pulled for 13 November 1992 (third watch). Those sheets indicate that only one 004th District Tactical car had two male white officers working together. Those officers were Jeffrey DOIG and Richard RALPHSON. On that date, those officers were driving a light grey 1989 Chevy which fits the general description given by the victim.

Officers RALPHSON and DOIG were served with Notification of Charges/Allegations. Officer RALPHSON submitted a report in which he denies making the stop and denies being in the area of the stop at the time in question. Officer DOIG submitted a report stating that he does not recall making a stop such as the one in question.

Additional checking by the undersigned revealed that Officers RALPHSON and DOIG only fit the description of the accused in a very general way. They are male white with hair color vaguely fitting that described by the victim. There is a considerable size difference between these officers and the description of the accused given by [REDACTED]. Officers RALPHSON and DOIG are considerably shorter and weigh less than the officers described by the victim.

FINDINGS AND RECOMMENDATIONS:

Due to the fact that the victim is unable to make an identification, the lack of witness corroboration, the varying car descriptions, the uncertain license plate number obtained two days later, the considerable height and weight differences between the officers described by the victim and witness and Officers DOIG and RALPHSON, there is nothing concrete to link these officers to the incident under investigation. Based on all of the above reasons, the undersigned requests that the allegation against Officers RALPHSON and DOIG be UNFOUNDED.

FINDINGS:

Accused #1-Officer Richard RALPHSON Allegation-UNFOUNDED

Accused #2-Officer Jeffrey DOIG Allegation-UNFOUNDED

RECOMMENDATION:

The undersigned recommends that this case be filed.

RE: [REDACTED]  
Reg. Complaint No. 196618 ✓  
(improper search)

Dear Sir or Madam:

This letter is being written on behalf [REDACTED]  
[REDACTED] I am also acting in the capacity of [REDACTED].  
This letter further memorializes my telephone conversation with a  
Ms. Smith (312-747-6309) of your office yesterday morning.

The following will provide your office with background  
information and the facts of the incident as I understand them.

[REDACTED] 1974, is a 6'4" white  
male who [REDACTED]  
[REDACTED]. He is [REDACTED]  
[REDACTED] Illinois 62901, telephone number [REDACTED]  
[REDACTED]. His [REDACTED]  
[REDACTED], with his permanent address being  
[REDACTED], Chicago, Illinois. [REDACTED] is [REDACTED]  
of age. The [REDACTED] address is a [REDACTED]  
operated by [REDACTED], [REDACTED], with living  
quarters upstairs.

[REDACTED] has previously brought [REDACTED] to our home in [REDACTED],  
Illinois and [REDACTED] asked [REDACTED] to come to his residence in  
Chicago.

[REDACTED] was informed by me that he would certainly stand out in  
a [REDACTED] and to do as much as possible not to attract  
attention. He replied they were going to see [REDACTED],  
go to [REDACTED], and visit downtown.

On Friday, November 13, 1992, [REDACTED] left  
[REDACTED] accompanied by [REDACTED] as follows:

RE: [REDACTED]

Page 2

[REDACTED] [REDACTED]  
[REDACTED]  
They arrived at [REDACTED] in the late evening and shortly thereafter at approximately 10:30 p.m. the incident of this complaint occurred.

The above named three individuals and [REDACTED] were beside [REDACTED] car and [REDACTED] came out of the store and joined them. At this time two white male individuals holding flashlights and identifying themselves as detectives approached the group.

The detectives were described as follows:

No. 1: dark hair  
mustache  
no glasses or beard  
6'2"  
blue jeans  
blue denim type jacket  
street shoes  
34 approx.

No. 2: blond  
mustache ?  
no glasses or beard  
6'0"  
blue jeans  
blue denim type jacket  
street shoes  
30 approx.

No. 1 did the searches. No. 1 first did a brief pat down search of [REDACTED] and found a soda can in his jacket. This ended the search of [REDACTED]

No. 1 then searched [REDACTED]. No. 1 did a very extensive search of [REDACTED] clothing, including his army fatigue jacket, which was a gift from [REDACTED]. The officer then felt up the crack of [REDACTED] buttocks on an external basis. No. 1 then placed his hands down [REDACTED] pants and felt the genital/underwear of [REDACTED]. [REDACTED] was then told to place his hands on his head and taken to the front end of the squad car and required by the officers to provide some form of identification to the officers. [REDACTED] handed the officers his billfold and the officers searched it finding his [REDACTED] and driver's license, as well as \$100.

No. 1 then asked [REDACTED] where he lived and [REDACTED]. No. 1 then asked about the [REDACTED] on the driver's license. [REDACTED] told him that was our previous address and this officer then told Scott he was in violation of the traffic code. I suggest No. 1 fails to understand 95 1/2 as [REDACTED] had already corrected his

address with the Secretary of State and there is no requirement that a person actually get a new license.

The officers then let [REDACTED] and the rest of the group leave.

On Sunday, November 15, 1992, at approximately 12:30 p.m. [REDACTED] to say good bye to [REDACTED].

At that time No. 1 and No. 2 drove up behind them and parked. [REDACTED] believes the car was a blue/4 door/1986 or 87 Chevy Caprice with no hubcaps and having license [REDACTED]. The officers then drove away. [REDACTED] is unsure of the first number 6 of the plate. I believe you will find that plate [REDACTED] is registered to the City of Chicago and is reported destroyed on December 4, 1987. Scott is unsure, but believes the car driven by No. 1 and No. 2 on Friday may have been a newer car than what he saw on Sunday.

Our objection is that this was a full body search done in the presence of others. No threats were made to the officers to justify a Terry search and certainly no probable cause existed to warrant the search conducted by No. 1. It is searches of this nature that makes the public upset with law enforcement officers. [REDACTED] is ignorant of the inner city streets and their dangers, but now he questions the abuse of authority when cause does not exist for such a search.

I have advised [REDACTED] to expect contact from your agency and to respond truthfully to all questions.

The address at the top of this letter is my home address. You may reach me at my office during normal business hours at [REDACTED].

Thank you for your attention to this matter.

Sincerely,  
[REDACTED]

[REDACTED], the complainant, alleges that two male white casually-dressed officers strip searched [REDACTED] the victim. This occurred 13 November 1992 on the street at approximately [REDACTED] at 2230 hours. [REDACTED] did not witness the incident that precipitated this complaint.

This CR Number was initiated by OPS on 16 November 1992 after [REDACTED] contacted that office to register his complaint regarding the search of [REDACTED]. After making his initial complaint, [REDACTED] sent a follow-up letter specifically detailing his understanding of the facts as related to him by [REDACTED], [REDACTED].

In summary, the complainant states that [REDACTED], who is white and a student at [REDACTED] came to Chicago to visit for the [REDACTED]. The roommate, [REDACTED] and the other [REDACTED], [REDACTED] and [REDACTED] are black.

When the [REDACTED] left the [REDACTED] residence after visiting on 13 November 1992, they were stopped by two casually-dressed male white police officers. A cursory search was done of [REDACTED] was searched in a much more thorough manner which included reaching into his clothing and underwear and checking his genital area. The [REDACTED] were not checked at all.

Page Two of Two  
CR# 196618

The complainant, who is a [REDACTED] contends that the officers did not have probable cause to stop [REDACTED] and he believes that a strip search was improper.

The letter went on to furnish a description of the involved officers as given to the complainant by [REDACTED]. [REDACTED] also supplied a possible license plate of the vehicle driven by the accused two days after the incident in question.

The complainant was contacted by phone and he furnished the same basic information that is set forth in his letter. During the interview, [REDACTED] did make it clear that he believed that [REDACTED] was singled out by the officers due to the fact that he is Caucasian.

This investigation remains in progress and any additional facts learned will be the subject of future progress reports.

[REDACTED], the victim in this CR Number, arrived at the Internal Affairs Office on 25 November 1992 as previously arranged. [REDACTED] was accompanied [REDACTED]. The [REDACTED] is an [REDACTED] and is acting in that capacity [REDACTED].

Prior to being interviewed, [REDACTED] viewed photographs of the personnel of the 004th District [REDACTED] and of Unit 710, Gang Crimes South, in an attempt to identify the accused. Although he noticed several photographs that resembled the officers, [REDACTED] was unable to positively identify anyone. The accused remain unknown.

[REDACTED] was interviewed alone. A summary of that interview follows: [REDACTED] is [REDACTED]. On 13 November 1992, [REDACTED] came to Chicago for the week-end with his roommate [REDACTED] and [REDACTED] also made the trip. [REDACTED] is white; the others are black.

After arriving in Chicago on 13 November 92, the group went to the [REDACTED] residence at [REDACTED]. At approximately 2230 hours on that date, they left that address to walk to [REDACTED] car which was parked nearby. Everyone exited the building together, but [REDACTED] reentered the location which is the site of [REDACTED].

While [REDACTED] was inside, the others continued to walk toward the car. [REDACTED] got soda and snacks and ran from the store to catch up to the others: he was carrying a six-pack of soda under his arm. Before [REDACTED] and [REDACTED] could get into the car, they were stopped by two civilian-dressed male white officers. The [REDACTED] were told to put their hands on [REDACTED] car. One officer patted [REDACTED] outer garment and checked to see what he was holding under his arm. The other officer patted [REDACTED] down and then took him a few feet from the others and checked the pockets of his military-type jacket. [REDACTED] said that the officer then directed the beam of his flashlight down the waist of [REDACTED] pants in the front and back. While he was doing this, the officer was holding the waist bands of [REDACTED] pants and his underwear. [REDACTED] said that the officers' hand touched bare skin beneath the underwear below the waist.

[REDACTED] informed this investigator that he was not made to remove any article of clothing during his contact with the officers.

Upon completion of the check of [REDACTED] person, the officer requested identification and [REDACTED] complied. At this time, [REDACTED] exited the [REDACTED] and asked if there was a problem. He was told that nothing was wrong and the officers left the scene.

The others were not searched. Because of the minimal contact with [REDACTED] complained that he was stopped solely because he is white and was in the company black people.

Following is a description of the two officers as furnished by [REDACTED]

[REDACTED]

[REDACTED] the complainant, alleges that two male white casually-dressed officers strip searched [REDACTED]. This occurred 13 November 92 on the street at approximately [REDACTED] at 2230 hours. [REDACTED] did not witness the incident.

[REDACTED] a witness, was interviewed. In summary, he said that he and [REDACTED], [REDACTED] on the above date. At approximately 2230 hours, the group left the store at that address and started toward [REDACTED] car which was parked nearby on [REDACTED]. [REDACTED] returned to the store and then ran out a few minutes later. He was carrying snacks under his arm. He caught up to [REDACTED] and the two were running toward the group when two officers in an unmarked squad car made a U-turn and stopped them.

[REDACTED] back was to [REDACTED] back during the stop so [REDACTED] did not see what occurred between [REDACTED] and the officer who stopped him. The officer who stopped [REDACTED] patted him down and checked to see what he was carrying (canned soda).

While the officers were checking [REDACTED] and [REDACTED] approached the officers and asked if there was a problem. The officers told the [REDACTED] that nothing was wrong and, after that, the two young men were allowed to leave.

In [REDACTED] car (after police left) [REDACTED] said that the officer looked down his pants. Later, [REDACTED] told [REDACTED] that the officer actually put his hand inside [REDACTED] underwear but did not touch his genitals.

██████████ told the undersigned that there was enough artificial light for him to see the officers clearly but he did not pay attention to them because the stop was "no big deal". He furnished the following descriptions of the involved officers:

#1 Searched ██████████  
M/W/Over 35/5'9/225 lbs.  
Hair color unknown/  
Mustache/Dark Clothes

#2 Searched ██████████  
M/W/Over 35/6'1/250 lbs.  
Hair color and facial hair  
unknown/possible mustache  
Dark clothing

██████████ said that the officers were in a dark blue car, possibly a Caprice. The car had square headlights.

On 15 November 92, the group was again at the ██████████ address. In the early afternoon, a dark colored unmarked squad car passed the location. ██████████ said that the car looked like the car from 13 November 92. He could see two male white occupants. ██████████ told ██████████ that they were the same officers from the previous incident and wrote the license plate down.

██████████ thought that he might be able to recognize the officers from 13 November 92 if he were to see them again and arrangements were made for him to view photographs. On 25 November 92, ██████████ came into the Internal Affairs Office where he looked at photographs of the officers of Gang Crimes South and the 004th District. Although ██████████ observed pictures of officers who resembled those in question, he could not make a positive identification of anyone.

This investigation remains in progress and further developments will be the subject of additional progress reports.

This witness was interviewed by telephone. In summary, he related that he is [REDACTED]. On 13 November 1992, he came to Chicago [REDACTED].

At approximately 2230 hours, the group [REDACTED] and walked a short distance to [REDACTED] car. [REDACTED] and [REDACTED] had entered the car when [REDACTED] were stopped and searched by two male white civilian-dressed officers.

According to [REDACTED], these officers got out of a blue or black car and stopped [REDACTED] for no reason. [REDACTED] said that one of the officers searched [REDACTED] pockets and pants. He said that he clearly saw the officer reach his hand inside [REDACTED] pants. Although it was night, [REDACTED] said that he could see well because of good artificial light. He said that he got out of [REDACTED] car and stood close to [REDACTED] so that he would have an unobstructed view.

[REDACTED] said that he [REDACTED] were again at [REDACTED] on 15 November 92. At approximately 1230 hours, an unmarked squad car stopped momentarily. [REDACTED] said that he did not get a good look at the officers in the car but he believed the car to be the same as that used by the officers on 13 November 92.

Identification of Accused

[REDACTED], the complainant, alleges that two male white casually-dressed officers strip searched [REDACTED]. This occurred 13 November 1992 on the street at approximately [REDACTED] at 2230 hours. [REDACTED] did not witness the incident.

After initiating this complaint with OPS by telephone on 16 November 1992, the complainant followed up with a letter detailing his complaint. In this letter, [REDACTED] furnished a possible license plate number for the police vehicle used by the officers in this incident; that number is [REDACTED]. There is doubt about the [REDACTED] of the plate.

[REDACTED] letter also indicated that a check of that plate showed that it was a City of Chicago plate that is listed as destroyed on 4 December 87. A check with Motor Maintenance Records, Officer L. KOLOZE #6971 confirmed this destruction. A computer check also showed that the license plate has not been reissued.

The undersigned checked the listing of vehicles assigned to the Chicago Police Department. The only license plate located that is the same except for the [REDACTED] That plate belongs to pool car 3268 which is a black 1986 Chevy assigned to Garage 2.

The undersigned determined that Vehicle 3268 was not on the street on 13 November 92 at 2230 hours when the victim was stopped. This car was signed into Garage 2 at 1640 hours on that date and was not signed out again until 15 November 92 when Officer Jose RAMIREZ, # 11462 of the 004th District Tactical Team (461E) obtained the vehicle.

INVESTIGATOR PERRY

This information showed that this vehicle was in the 004th District on 15 November 92 when the victim observed an unmarked squad car with three occupants at approximately 1230 hours. The victim said that he copied the license plate from that car because the officers from the 13 November 92 incident were in the vehicle.

The undersigned checked the Daily Work Sheets of the 004th District Tactical Team. Those sheets showed that Officer RAMIREZ had two partners on 15 November 92 when he obtained Vehicle 3268 from Garage 2. The other officers assigned to 461E that date were Jeffrey DOIG, # 7121 and Nicholas CIKULIN, # 6964.

This investigator pulled the work sheets for the 004th District Tactical Team for 13 November 92, the night of the incident. That night was double team night with Teams 461 and 463 working 1700-0130 hours.

Since the accused officers were two male whites (absolutely not Hispanic) in a blue-gray Chevy, this Reporting Sergeant checked to see which officers were together on that date. The sheets show the following:

Beat 461A Vehicle # 3127, 1984 Brown Ford  
Officer Jose RAMIREZ # 11462 M/Hispanic  
Officer John SANCHEZ # 8377 M/Hispanic  
Officer Peter PIAZZA # 7857 M/White

Beat 461B Vehicle # 3791, 1989 Chevy, Light Grey  
Officer Richard RALPHSON # 16492 M/White  
Officer Jeffrey DOIG # 7121 M/White

Beat 463A Vehicle # 4845, 1983 Ford, Black  
Officer Daniel KNEZEVIC # 17387 M/White  
Officer Alain ELIZONDO # 9631 M/Hispanic

Beat 463B Vehicle #8290 Marked Squad Car  
Officer Tyrone STEVENSON # 17364 M/Black  
Officer Lloyd ROE # 4693 M/Black

Beat 463C Vehicle #2816, 1992 Chevy Medium Grey  
Officer Darlene CAPERS # 17302 F/Black  
Officer Juan GARCIA # 2450 M/Hispanic  
Officer Bryan MCDONALD # 10275 M/Black

Beat 461E Vehicle #9065, Marked Squad Car  
Officer Darrell SHAW # 11630 M/Black  
Officer Thomas PONNE # 2706 M/White

Of the cars working 004th District Tactical on 13 November 92, there was only one unit with two male whites; Beat 461B. That beat was assigned to a light grey Chevy that fits the general color described by the victim. Jeffrey DOIG, one of the officers on that car, was on Beat 461E on 15 November 92 when the victim observed the car and thought he recognized the officers from 13 November 92.

Based on the above information, the undersigned identified officers Richard RALPHSON, #16492 and Jeffrey DOIG, #7121 as the accused in this CR Number.

This investigation remains in progress and additional information learned will be the subject of a progress report.
